8:15 a.m.	<p>Building a Glidepath to Alternative Payment Models</p> <p><i>As directed by the Board, OAHHS has been engaged in several stakeholder and state workgroup conversations around alternative payments models and payment reform. This has also been a significant scope of work for your association's public policy committee. Staff will provide background of all this work and present with Tenfold Health, a consultancy, who has been developing a glidepath framework for our collective consideration that can be applied to these various conversations. This session is an opportunity to engage all members directly in this important work and to understand if OAHHS is directionally correct as a policy recommendation is formed.</i></p>	
9:15 a.m.	<p>Member Feedback: What's your appetite for APMs?</p> <p><i>As part of our process we want to hear directly from hospital leadership. We will engage in breakout group discussions focused on a series of questions to help shape your feedback in this policy making process.</i></p>	
10:15 a.m.	<i>Break</i>	
10:30 a.m.	<p>Funding the Oregon Health Plan</p> <p><i>OAHHS has been participating in Governors Brown's Medicaid Funding workgroup since its inception in March. We are fortunate to have Tina Edlund, Governor Brown's Senior Health Policy Advisor, who is leading this work with us in Sunriver. Ms. Edlund will provide an overview of the process and outline potential savings and revenue solutions that could shape the Governor's Medicaid funding proposal due out in the late fall. We will also facilitate a questions and answers session.</i></p>	
11:45 a.m.	<p>What else is on the Horizon</p> <p><i>While we have highlighted some significant quality, patient safety and policy initiatives underway within your association, there is much more work going on. Staff will provide a glimpse into other key policy issues under consideration in advance of the 2019 legislative session.</i></p>	
12:00 p.m.	Closing Remarks & Adjournment
