

2018 Annual Member Retreat Agenda

Thursday, July 20

Time	Event	Location
7:30 a.m.	Breakfast and Vendor Exhibition	Homestead
8:00 a.m.	Welcome to Sunriver - Opening Remarks	Homestead
8:10 a.m.	<p>Setting the Stage for Quality <i>As we announced in the spring, OAHHS and the Washington State Hospital Association (WSHA) are embarking on the development of a single regional model for association led patient safety and quality programs. We will provide the background as to how we got here, we will outline the vision of both association boards and we will give you a sense of what to expect as we integrate our programs over the next year.</i></p>	
8:30 a.m.	<p>Dr. Gary Yates <i>Dr. Gary Yates is an expert in safety and the use of high reliability science and applications for clinical effectiveness programs, patient safety programs, physician integration efforts and medical management. He will share strategies for improving patient safety by using evidence-based methods derived from high-risk industries. Dr. Yates will also focus on the culture of safety and its critical importance as we embark on the creation of the Northwest regional safety and quality program.</i></p>	
9:45 a.m.	Break	
10:00 a.m.	<p>Breakouts: Your Engagement is Our Success <i>Participants will engage in small group discussions to identify the barriers and enablers that will help to ensure the success of our NW regional safety and quality program.</i></p>	
10:50 a.m.	Break	
11:05 a.m.	<p>Breakouts: Discussion and Summary <i>Staff will share key themes from these discussions with all attendees.</i></p>
